Chelsea King was a popular high school senior, an outstanding achiever determined to make a difference. Fourteen-year-old Amber Dubois loved books and poured her heart into the animals she cared for. Treasured by all who knew them, both girls disappeared in San Diego County, just eight miles and one year apart. The families ' anguish galvanized the community and captivated the media. A desperate search led authorities to John Albert Gardner, a brutal predator, convicted sex offender hiding in plain sight—and a complex man whose own mother, a psychiatric nursing professional, failed to see the signs of trouble. Ultimately, Gardner shared a prison unit with Charles Manson. In 2010, Gov. Arnold Schwarzenegger signed Chelsea's Law: anyone convicted of certain sex offenses against a child in California would get life in prison without parole. Based on Pulitzer-nominated author Caitlin Rother ' s exclusive access, Lost Girls is an incisive, heartbreaking true-life thriller that strikes at our deepest fears. "

The bestselling account of the lives of five young women whose fates converged in the perplexing case of the Long Island Serial Killer. Now updated, with a new epilogue by the author. One late spring evening in 2010, Shannan Gilbert—after running through the oceanfront community of Oak Beach screaming for her life—went missing. No one who had heard of her disappearance thought much about what had happened to the twenty-four-year-old: she was a Craigslist escort who had been fleeing a scene—of what, no one could be sure. The Suffolk County police, too, seemed to have paid little attention—until seven months later, when an unexpected discovery in a bramble alongside a nearby highway turned up four bodies, all evenly spaced, all wrapped in burlap. But none of them Shannan ' s. There was Maureen Brainard-Barnes, last seen at Penn Station in Manhattan three years earlier, and Melissa Barthelemy, last seen in the Bronx in 2009. There was Megan Waterman, last seen leaving a hotel in Hauppauge, Long Island, just a month after Shannon ' s disappearance in 2010, and Amber Lynn Costello, last seen leaving a house in West Babylon a few months later that same year. Like Shannan, all four women were petite, in their twenties, and had come from out of town to work as escorts, and they all had advertised on Craigslist and its competitor, Backpage. Lost Girls is a portrait of unsolved murders in an idyllic part of America, of the underside of the Internet, and of the secrets we keep without admitting to ourselves that we keep them. Long considered " one of the best true-crime books of all time " (Time), this edition includes a new epilogue that speaks to developments in the case, including the shocking fate of Mari Gilbert, Shannan ' s mother, for whom this case became the crusade of a lifetime.

The chilling true story of the heinous murder of Karlie Pearce-Stevenson and daughter Khandalyce and how the case was cracked
In August 2010, the bones of a young woman were found in Belanglo State Forest, where, years earlier, Ivan Milat had tortured and slain seven young backpackers. Dubbed Angel, her remains lay unidentified for years. Who was she, how did she die, and at whose hand? Then, in July 2015, the bones of a child were found in a suitcase by a highway in South Australia. Months later, a call to Crime Stoppers led to an identification. Two-year-old Khandalyce Pearce had left Alice Springs in 2008 with her mother and hadn't been seen since. Through DNA, Angel was quickly identified as Khandalyce's mother, Karlie Pearce-Stevenson. In the grimmest of scenarios, mother and daughter were reunited at last. The Lost Girls is the chilling true story of this heinous double murder and how police tracked down the perpetrator, who not only killed the girls but stole the young mother's identity to defraud authorities and her family. Gripping and authentic, The Lost Girls celebrates the short lives of a young woman and her daughter, and the investigators determined to bring them home.
