Nigel Bennett's unique autobiography describes his life and career, from growing-up influenced by car design, to his education and the building of his 750 specials. He describes his work as Firestone Development Manager, recounting many tales of the outstanding designers and drivers of the period. Detailing his work in Formula 1, as a Team Lotus engineer, and then as Team Ensign designer, he also covers his Indycar designs at Theodore, Lola Cars and Penske Cars. Life after his retirement, his involvement in boat design and with modern F1 teams, are also recounted.

Beautiful new Centenary edition to celebrate the publication of May Gibbs's first book, GUMNUT BABIES, in 1916. May Gibbs's marvellous creation - the Gumnut world, with its tiny heroes and heroines and deliciously villainous villains - has fascinated generations of children since its first publication in 1916. Gumnuts at the races, at the ballet, and dancing at balls are some of May's exquisitely illustrated scenes that have delighted us all. This beautiful new edition has been produced to mark the Centenary of GUMNUT BABIES and contains the stories of Gum-Blossom Babies, Flannel Flowers and Other Bush Babies, Boronia Babies, Wattle Babies, plus Nuttybub and Nittersing and Chucklebud and Wunkydoo. The perfect companion for THE COMPLETE ADVENTURES OF SNUGGLEPOT AND CUDDLEPIE. Ages 8+

This elegant new edition of Susan Polis Schutz's most beloved work includes the poems and advice of earlier editions, plus new poems inspired by her daughter growing up into a young woman and leaving home. Steven Schutz's sensitive illustrations envelop Susan's poetry in an artistic expression of his love for his daughter and her mother. The result is a loving celebration of the joy and pride that all parents feel for their unique, beautiful daughters.

History, essays, games, activities, and music appropriate for each month of the year.
