Six months after her husband, Germaine ran off with her two boys, Niquole "Nikki" Wright has a sweet tooth for revenge. Even more selfish and devious than before, Niquole will stop at nothing to get her kids back and make her husband suffer. Her street savvy personality mixed with her no-nonsense attitude has Niquole believing she has free reign to screw anyone who gets in her way. Soon, someone unexpected re-enters Niquole's life and seems to be one of the many obstacles slowing her down and threatening to ruin her plans. Will the grimy road that Niquole travels finally cut her off for good? Or will she thrive amongst those who pretend to love her?

Niquole Wright seems to have it all; expensive cars, two beautiful children and a rising record label that she dedicates more time to than her family. Everything is perfect except for one thing...her husband Germaine. She has run her course with him and he needs to be replaced. When the handsome and seductive Kingston enters her life, he becomes the perfect substitute. Clueless to his wife's plan, Germaine continues to be a loving naive husband while Niquole's full blown affair quickly becomes her sick obsession. Desperate to start a new life with her new man, Niquole does everything in her power to push Germaine out of the picture. Little does she know Kingston plans are different from hers. Sit back and see what happens when a wife learns that the price of betrayal can have a shattering toll.
