The colonists of the planet Montana are accustomed to being ignored. Situated in the buffer zone between two rival human empires, their world is a backwater: remote, provincial, independently minded. Even as a provisional member of the Republic of Aligned Worlds, Montana merits little consideration—until it becomes the flashpoint in an impending interstellar war. When pirate raids threaten to destabilize the region, the RAW deploys its mechanized armored infantry to deal with the situation. Leading the assault is Marine Corps Lieutenant and Montanan expatriate Promise Paen of Victor Company. Years earlier, Promise was driven to join the Marines after her father was killed by such a raid. Payback is sweet, but it comes at a tremendous and devastating cost. And Promise is in no way happy to be back on her birthworld, not even when she is hailed as a hero by the planet's populace, including its colorful president. Making matters even worse: Promise is persistently haunted by the voice of her dead mother. Meanwhile, the RAW's most bitter rival, the Lustranian Empire, has been watching events unfold in the Montana system with interest. Their forces have been awaiting the right moment to gain a beachhead in Republic territory, and with Promise's Marines decimated, they believe the time to strike is now. Unbreakable by W.C. Bauers is character-driven military science fiction featuring a female marine caught between two empires. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The story behind Telemundo's Jenni Rivera: Mariposa del Barrio series, now streaming. A New York Times bestseller, this is the official biography from the beloved Mexican-American singer who lost her life in a tragic plane crash. The only autobiography authorized by Jenni Rivera "I can't get caught up in the negative because that destroys you. Perhaps trying to move away from my problems and focus on the positive is the best I can do. I am a woman like any other, and ugly things happen to me like any other woman. The number of times I have fallen down is the number of times I have gotten up." These are the last words that beloved Mexican American singer Jenni Rivera spoke publicly before boarding the plane that would crash and cut her life short on December 9, 2012. However, they are not the final words that La Diva de la Banda had for the world. Those are found in the pages you hold in your hands, Jenni's own account of the highs and lows of her extraordinary journey. She became the most acclaimed Spanish-language singer in the United States and sold more than 15 million records worldwide. A single mother of five and grandmother of two, she was also an actress, a television producer, the star of her own reality show, and an entrepreneur. But for all its immense success, Jenni's life often seemed to be a series of personal battles in which perseverance was her only weapon. As her fame grew, she made it her mission to speak about her struggles, forging an intimate connection with her fans. She became a figure of strength and a source of encouragement to women of all ages. In Unbreakable, Jenni recounts the crucial moments in her past, revealing her experiences with domestic and sexual abuse, divorce, body image issues, making her way in a male-dominated industry, raising her children as a single mother, and learning that she could depend only on herself. Though she is no longer with us, Jenni will always be the "Rivera rebel from Long Beach," the girl who maintained her sense of humor and fighting spirit in every circumstance. In this remarkable memoir, Jenni leaves behind a legacy of inspiration and determination that will forever live on through her precious family, friends, and fans.

A highly decorated Navy SEAL shares stories of his years of combat experience in Afghanistan, providing leadership insights that will shift your view of yourself and provoke life-altering change. Before leaving for combat in Afghanistan, Navy SEAL Thom Shea promised his wife that he would write to his children in case he didn't make it back. What was initially intended to be a private memoir for his family turned into a powerful set of lessons for anyone striving to perform beyond what they believe possible. Shea's stories, while action-packed and entertaining, provide incredible insights on leadership, family, and excellence. In Unbreakable, Shea teaches readers how to achieve and maintain a strong internal dialogue through no matter what the task. Read this book and transform your life.

I Am Number Four meets the TV show Fringe in this thrilling, high-stakes sequel to Unraveling. Four months after Ben returned to his home universe, Janelle believes she'll never see him again. Her world is still devastated, but civilization is slowly rebuilding, and life is resuming some kind of normalcy—until Intersave agent Taylor Barclay shows up, asking for Janelle's help. Somebody from an alternate universe is kidnapping people and selling them on different Earths. And Ben is the prime suspect. When Janelle learns that someone she cares about—someone from her own world—is one of the missing, she knows that she has to help Barclay, regardless of the danger. Now Janelle has five days to track down the real culprit, locate the missing people before they're lost forever, and reunite with the boy who stole her heart. But as the clues add up, Janelle realizes that she may not know Ben as well as she thought. Can she uncover the truth before everyone she cares about is killed? In this heart-pounding sequel to Unraveling, author Elizabeth Norris explores the sacrifices we make to save the people we love and the worlds we'll travel to find them.

Like The Forest of Hands and Teeth, Elizabeth Norris's Unraveling blends realistic coming-of-age issues with a gripping science fiction world. Unraveling's heroine, sixteen-year-old Janelle Tenner, is used to having a lot of responsibility. She balances working as a lifeguard in San Diego with an intense academic schedule. Janelle's mother is bipolar, and her dad is a workaholic FBI agent, which means Janelle also has to look out for her younger brother, Jared. And that was before she died...and is brought back to life by Ben Michaels, a mysterious, alluring loner from her high school. When she discovers a strange clock that seems to be counting down to the earth's destruction, Janelle learns she has twenty-four days to figure out how to stop the clock and save the planet.

Czechoslovakia, October 1937. Vast crowds have gathered to watch the threatened nation's most prestigious sporting contest: the Grand Pardubice steeplechase. Notoriously dangerous, the race is considered the ultimate test of manhood and fighting spirit. The Nazis have sent their paramilitary elite—SS officers on a mission to crush the "subhuman Slavs". The local cavalry officers have no hope of stopping them. But there is one other contestant: a countess riding a little golden mare... The story of Lata Brandisová is by turns enigmatic and inspiring. Born into privilege, she spent much of her life in poverty. Modest and shy, she refused to accept the constraints society placed on her because of her gender. Instead, with quiet courage, she repeatedly achieved what others said was impossible and rose above scandal to become her nation's figurehead in its darkest hour. Unbreakable is a story of endurance and defiance in an age of prejudice, fear, sexism, class hatred, and nationalism. Filled with eccentric aristocrats, socialite spies, daredevil jockeys—and a race so brutal that some consider merely taking part in it a sign of insanity—Unbreakable brings to life a unique hero, and an unforgettable love affair between a woman and a horse.
