Like the way her skin felt in the shadows and how her breath caught when she couldn't help herself. That she hated her real name, and saying it would make her eyes narrow and her hackles rise. He knew pride was both her greatest strength and greatest weakness, that she played to win and unless her back was against the wall, she lost with a graciousness he'd never mastered.

Lexi Titan can just see the headlines. All of Titanville will be buzzing. Not that she has any other choice. Faced with exactly thirty days to come up with two million dollars, she is out of options. Marry Cruz Rodriguez or lose everything—the successful day spa she built herself, her tyrant of a father's respect. And the long-standing competition with her sisters for the family business. Cruz has money, success, smoldering good looks—everything but the blue blood needed to become a true member of Texas society. If Lexi agrees to be his fiancée for six months, lending him her famous father's influence and connections, he'll hand her a check on the spot. And in six months they'll go their separate ways. But neither one is prepared for their long-ago shared passion to throw a wrench into what would seem to be the perfect deal....

Dana Birch vowed never to put herself at the mercy of a powerful man. She became a deputy so that she could take care of herself and protect those she loves. Especially her best friends, the Titan sisters. Twenty years ago, Garth Duncan swore revenge on Jed Titan for abandoning

Garth and his mother. Now he's back to fulfill that promise, even if Jed's daughters get caught in the crosshairs. All that stands between him and his goal is Dana, her gun and a growing passion that can't be denied....

Skye Titan's wealthy father thinks he can still dictate his daughter's choice in men. Now widowed and a single mother, Skye isn't the yes-girl she once was. Especially since the love of her life is back in Texas after eight long years. He won't like the answers to the questions he's asking. About why she left him at the altar. And about her eight-year-old daughter. Former Navy SEAL Mitch Cassidy comes home to find nearly everything different. His wounds from battle have changed the way people treat him. His cattle ranch is suddenly organic. But time hasn't touched his desire for Skye—or the sting of her betrayal. Forget lip service. He's asking that luscious mouth of hers to reveal the truth. But will Mitch be able to put the past aside to help Skye get out from under her father's thumb...and help himself recover from a broken heart?

Izzy has always been the fearless Titan sister. But when an oil rig blows up, leaving her barely able to see, her sisters find themselves as concerned by her emotional withdrawal as by the possibility that the explosion was no accident. Are the mind games their long-lost brother Garth has been playing turning physical? Or is someone else out to get them? When her sisters enroll her in a survivor training camp, Izzy is not happy. Nick, her instructor, is determined that she won't be left in the dark. In more ways than one. But if he tells her the terrible truth behind why he's helping her, he'll never see her again. Unless they're both willing to take the biggest risk of all.

A fan-favorite from #1 New York Times bestselling author Susan Mallery, originally published in 2008. "Responsibility" should be Nicole Keyes's middle name. After all, not many people would sacrifice their lives to run the family bakery and raise a younger sibling. But with Nicole's twin sister now blissfully married and her younger sis turning out more femme fatale than girl-next-door, super reliable Nicole is getting sick of putting everyone else's needs first! Enter Hawk. The deliciously sexy former NFL player offers Nicole a taste of the freedom she craves. Hawk may know the way, blindfolded, to her sweet spot, but Nicole's not about to let him get close enough to break her heart. Of course, she might not have a choice in the matter if Hawk's past keeps getting in the way of their present....

The new teacher brings with her a passion for women's rights that invigorates the ladies of Titanville, and instills fear in the men. Zeke is intent on seducing her, if only to send her running, ruined, from the town so that things can return to normal. But Zeke just might have met his match...in more ways than one!

The California sunshine's not quite so bright for three sisters who get dumped in the same week... Finola, a popular LA morning-show host, is famously upbeat until she's blindsided on live TV by the news that her husband is sleeping with a young pop sensation who has set their affair to music. While avoiding the tabloids and pretending she's just fine, she's crumbling inside, desperate for him to come to his senses and for life to go back to normal. Zennie's breakup is no big loss. Although the world insists she pair up, she'd rather be surfing. So agreeing to be the surrogate for her best friend is a no-brainer—after all, she has an available womb and no other attachments to worry about. Except...when everyone else, including her big sister, thinks she's making a huge mistake, being pregnant is a lot lonelier—and more complicated—than she imagined. Never the tallest, thinnest or prettiest sister, Ali is used to being overlooked, but when her fiancé sends his disapproving brother to call off the wedding, it's a new low. And yet Daniel continues to turn up “for support,” making Ali wonder if maybe—for once—someone sees her in a way no one ever has. But side by side by side, these sisters will start over and rebuild their lives with all the affection, charm and laugh-out-loud humor that is classic Susan Mallery. Don't miss Susan Mallery's most irresistible novel yet, *The Vineyard at Painted Moon*, and join one woman as she searches for the perfect blend of love, family and wine.
