In 2005, I resigned as a full-time pastor of a church and relocated to Lagos, Nigeria, with one mission in mind: To observe and study the life of Bishop David Oyedepo, resident Bishop of Faith Tabernacle, Ogun State, Nigeria, the Largest Single Church in the world, according to Guinness Book of Records What I share with you in this book is a summary of what I have learned from the life and ministry of Bishop Dr. David O. Oyedepo in this last 10 years. It's been a long journey, but suffice it say that I have enjoyed every bit of it. Like all men of great influence, Bishop Oyedepo, has been analysed in the public domain and given different names by different people. However, I believe that no man actually rises to the top by making mistakes. People only rise to the top by doing the right things over a long period of time. In this book, I share with you the success habits and secrets of one of the greatest leaders of Charismatic revival on earth today...Bishop David Olaniyan Oyedepo May we all fulfill the purpose for which we are born.

The power of faith and belief is an amazing thing. As children, we are somehow able to believe that anything is possible, which allows an unseen unlimited power to work on our behalf. However, as we grow and learn we begin to put limits on our faith and belief by believing only those things which we believe are reasonable. When we do this, we also limit the unlimited power that continuously works on our behalf through childlike faith and belief. In this story, we see that the faith and belief of a child is able to unleash limitless power to do a thing that only a child could believe is possible. If we could as grown-ups learn how to keep our childlike faith throughout our entire life time to believe that all things are possible, imagine what the unlimited power of faith and belief in the impossible could do to supply us with an endless supply of possibilities. The life of a little bear risen up by the faith of a child who believes that all things are possible shows us that when we can believe in the impossible, we too can unleash an unlimited power to make all things possible for us. But it is only possible if we can believe that all things are possible with a God of unlimited power who continuously works on our behalf!

Faith is a firm, cordial belief in the veracity of God, in all the declarations of his word; or a full and affectionate confidence in the certainty of those things which God has declared. Faith is an affectionate practical confidence in the testimony of God. No man receive anything from God without faith. Salvation is free but is obtainable by faith. This book will help you to understand that faith in God secures for the believers freedom from condemnation. Faith is very necessary for our salvation. Your mind will be renewed and enlightened by this teaching of faith as you talk a walk through this book.

Presents a motivational program for African Americans to train the mind so they can overcome societal roadblocks to achieve empowerment and the life of their dreams.
